### Over ons

From building applications to managing projects from start to finish, we have all IT jobs covered. With a team of some 2,000 IT professionals in Belgium, France and India, we pioneer new technologies and digital innovations. For all our store formulas and supporting activities.

# Reasons to join BNIX

- We are **content provider** and via the BNIX our customers get direct access to our e-commerce

- In 2016 we started with **open wifi** in our shops. In and out traffic is now much more balanced.

Gratis wifi nu ook bij Colruyt

Food | 11 juli, 2016

Colruyt stelt vanaf nu wifi beschikbaar voor de klanten in zijn supermarkten. De Halse supermarkten wil consumenten zo aanmoedigen om hun smartphone te gebruiken tijdens het winkelen.

**BNIX is reliable, offers direct connectivity and is good value for money**

Thank you!

 COLRUYT GROUP
